

# CHEMO DUCK PASSPORT

Printables

If you have lost your passport, or did not receive one from your hospital, print this out and put your booklet together. Then add a stamp or sticker every time you visit the hospital with Chemo Duck!

**Step One:** Print each page on a standard sheet of 8.5 X 11 inch paper.

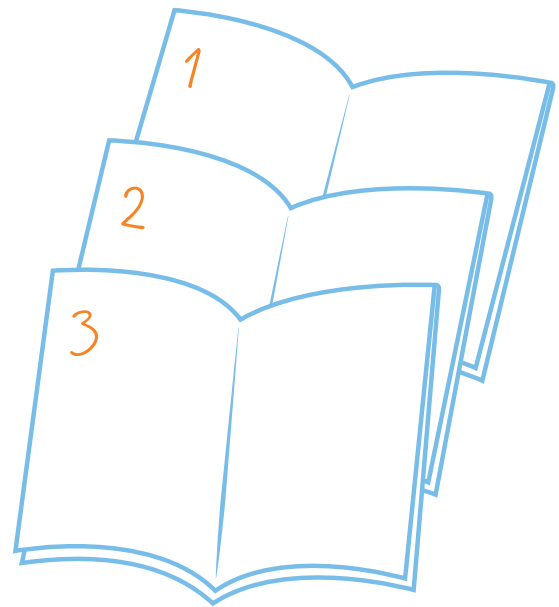

**Step Two:** Carefully cut rectangles out along the dashed lines. *(Children under 6 may need help with this.)*

**Step Three:** Fold each sheet in half along the solid light blue line.

**Step Four:** Lay the second folded sheet on top of the first folded sheet. Then lay the third folded sheet on the very top.

**Step Five:** Secure the three folded sheets with two staples down the middle.

**Step Six:** Fold down the middle and your passport is complete!

Once your passport has 10 stickers or stamps, send it to:

Gabe's Chemo Duck Program  
5016 Spedale Court, Suite 129

**Include your address and you will receive a special t-shirt for your Chemo Duck!**
